INEOS Compounds  
The global specialist for PVC Compounds

JULY 2017

Dear Valued Customer,

**Subject: NEW ISSUE OF SVHC Candidate list dated 07-07-2017**

We have received notification that the SVHC candidate list as been issued with 1 new substance. As your supplier, we are aware that this publication may have legal obligations for you and your downstream users. Any supplier of an article in the EU/EEA will have to communicate the presence of any the SVHCs in that article in an amount of more than 0.1% (w/w).

We can confirm that this new addition to the list is not contained in any of materials CJP supply. All our current materials are REACH compliant. If it appears that one of our grades contains any of the SVHC substances, we will inform you immediately.

If you require any further guidance on the above, please do not hesitate to contact us directly.

Yours sincerely

CJP Sales Ltd
