

C.J.P. Sales Ltd.

PVC and Polymer Distribution

Health & Safety Policy Statement

In so far as reasonably practical, the Company will endeavour to provide and maintain a work environment which considers the Health, Safety and Welfare of all persons affected by the supply of plastic raw materials, particular to:-

- Providing and maintaining equipment and systems of work, which are safe and without risk to health.
- Assessing and limiting risk to health caused by substances and systems of work used and to inform the relevant employees of the results of the assessments together with the nature of their risk.
- Monitoring regularly the risk to health caused by substances and systems of work used.
- Ensuring safe transport, storage and use of articles and substances which are inherently or potentially dangerous.
- Providing sufficient supervision, training instruction and information to ensure as is reasonably practical, the health and safety at work for every employee.
- Maintaining a safe and risk free workplace and providing a safe means of access to and from the premises.
- Providing and maintaining a safe and healthy working environment with adequate welfare facilities.

It is the duty of every employee to:-

- Conduct themselves in such a way as to avoid any safety or health risk to himself or any other employee.
- To co-operate with the Company to enable it to discharge its duties under the Health and Safety at Work Act 1994.

Signed:-
